FOR IMMEDIATE RELEASE

**FARGO GLASS AND PAINT COMPANY NAMED NEW DISTRIBUTOR
FOR SIERRA PACIFIC WINDOWS**

Fargo Glass and Paint to represent Sierra Pacific's full line of residential and light commercial windows & doors throughout the Dakota's and surrounding areas

Red Bluff, CA – (April 8, 2019) – Fargo Glass and Paint Company, headquartered in Fargo, ND, has been named by Sierra Pacific Windows as a distributor-of-record. Under the terms of the agreement, Fargo Glass & Paint will represent Sierra Pacific's full line of residential and light commercial products and services using its distribution paths to market; giving dealers, builders, remodelers, architects and homeowners throughout the Dakota's and surrounding areas access to Sierra Pacific's best in class products.

"We are thrilled to be able to provide Sierra Pacific's products and services to all the markets we serve," said Fargo Glass's General Manager Andy Nelson. "Sierra Pacific Windows has built a reputation for custom-crafted, premium-quality windows and doors – at affordable price points. The company brings forth a higher standard of quality with its true vertical integration approach, which is thanks to its ownership by Sierra Pacific Industries. It is a richly unique model, different from all other wood window companies."

Sierra Pacific Windows products include a complete line of aluminum clad wood and all-wood windows and patio doors with the broadest range of colors, interior wood species, hardware finishes and grille options. Through Sierra Pacific, Fargo Glass will offer all product lines from three levels of vinyl to the award-winning H3™ on up to specialty doors and architectural wall systems. All backed by one of the best warranties in the industry and protected by CoreGuard™, Sierra's exclusive wood protection system. In addition to windows and doors for new construction, Fargo Glass will also emphasize the full line of Transcend Windows and Doors for replacement and remodeling.

“We are proud to add Fargo Glass to our unrivaled distribution team,” said Sierra Pacific Vice President of Sales and Marketing Dominic Truniger. “We are very protective of the Sierra Pacific Windows brand and do not enter into these agreements lightly.”

Fargo Glass and Paint’s custom window and door needs will primarily be served by Sierra’s Wisconsin-based manufacturing facilities in Medford and Merrill, Wisconsin.

“Fargo Glass and Paint represents the highest of quality standards we seek in our distribution,” said Truniger. “With 32-years of window experience and 102-years in the building products business, Fargo Glass and Paint is highly trusted and relied on by their loyal customer base. It’s a position they earned by offering an unmatched level of service and support to their customers.”

For more information, go to www.fargoglass.com or call 701-235-4441 for the company’s Fargo, North Dakota location or 605-336-9494 for Sioux Falls, South Dakota.

ABOUT FARGO GLASS AND PAINT COMPANY

Fargo Glass and Paint Company is one of the oldest building products suppliers still in business today. Founded in 1917, the company has 102-years of expertise fueling its continued growth today. Headquartered in Fargo, North Dakota, Fargo Glass and Paint Company has a Millwork branch in Sioux Falls, South Dakota and Contract Glazing branches in Bismarck and Minot, North Dakota and Sioux Falls, South Dakota. The company also owns and operates a retail paint store in The Shoppe’s of Osgood in southwest Fargo. Fargo Glass and Paint is a distributor of glass, mirrors, paint (and related accessories), floor covering specialty items, windows, doors, and siding. Its glass division offers customers the experience, products, and personnel to install everything from high-rise curtain walls, storefronts, automatic doors and service, and the supply of door hardware.

ABOUT SIERRA PACIFIC WINDOWS

Sierra Pacific Windows is a division of Sierra Pacific Industries, a family-owned forest products company. Based in Red Bluff, California and Medford, WI, Sierra Pacific Windows is one of the largest manufacturers of superior quality, custom wood and vinyl windows and doors in the world. It is the only fully vertically-integrated window and door company, in which the company owns the forestland and manages the entire manufacturing and distribution process. Sierra Pacific Windows has a combined manufacturing production space of over 1.1 million square feet in California and Wisconsin. Its windows and doors are distributed via more than 600 dealers, distributors and company-owned locations.

ABOUT SIERRA PACIFIC INDUSTRIES

Sierra Pacific Industries is a third-generation, family-owned forest products company based in Anderson, California. The company owns and manages 2 million acres of timberland in California and Washington, and is one of the largest lumber companies and largest manufacturer of millwork in the United States. Sierra Pacific Industries is committed to managing its lands in a responsible and sustainable manner to protect the environment while providing quality wood products and renewable power for consumers. The company’s forests are certified under the Sustainable Forestry Initiative®. Sierra Pacific Industries utilizes nearly 100 percent of every piece of wood brought to its 18 mills and seven biomass-fueled cogeneration power plants.
