

# FACTORY FINISH MATCHES

Make Matching Trimwork Easy With Sierra Pacific & Sherwin Williams®

Homeowners, builders, and architects can select Sierra Pacific Windows interior factory finishes with confidence, knowing that we have partnered with Sherwin Williams®. Sierra Pacific Windows offers several interior paint options that are specially formulated to closely match popular Sherwin-Williams® colors by name, while Ultra Stain options are precisely formulated. No matter the selected finish, color matching and touch-ups can be effortlessly performed at any Sherwin-Williams® store.
